God is not man, that he should lie,
or a son of man, that he should change his mind.
Has he said, and will he not do it?
Or has he spoken, and will he not fulfill it? Numbers 23:19

Why do we doubt that God will do what He says? Maybe it is because we expect answers on our terms and in our time. There are a couple of words for time in Greek. One is chronos which means chronological time. The other is kairos which means appropriateness. God is outside of chronological time. The only sense of time that applies is appropriateness. Rely on God to know what is right and when it is right. Otherwise what is your faith for?
