“Ask, and it will be given to you; seek, and you will find; knock, and it will be opened to you. For everyone who asks receives, and the one who seeks finds, and to the one who knocks it will be opened.” Matthew 7:7–8

Asking God for something is an easy thing to do. But believing that He will provide? That is more difficult. We all have ideas of what we would want to make our lives better or more complete. But do we really know what we need? Maybe that new car you are praying for would cause a terrible accident. Maybe the disease that you are praying to have removed is nothing compared to what could happen to you. We all think we know better than God. But the simple fact is that we do not. Remember that God does not send tragedies into our lives. They are a result of sin that has come into the world. What we need to focus on most is God's will. What does God want for us? How will our current situation help us to follow God's will? What may we learn from this experience?
