For because he himself has suffered when tempted, he is able to help those who are being tempted. Hebrews 2:18

This is the story of the Gospel in the First Week of Lent. Jesus was tempted. So, if that is the case, why would you suppose that you should not be? Temptation is not sin. What you do with that temptation determines whether it becomes sin or not. Jesus accepted temptation as part of the human condition. He didn't say it would be easy to resist temptation. After all, the devil knows our weaknesses. But Jesus showed us that it is possible to resist.
