

Deacon's Beacons

March 31, 2020

"I tell you, on the day of judgment people will give account for every careless word they speak, for by your words you will be justified, and by your words you will be condemned." Matthew 12:36–37

Be careful how you speak. Words do harm. But words can also lift up and build up. If you use them appropriately, they are wonderful. But if you misuse them, they become weapons. You will be judged for your misuse of the gift. Kindness is so necessary in the current situation. Make sure that you do not make someone's life any more difficult.
