By the word of the LORD the heavens were made,
and by the breath of his mouth all their host. Psalm 33:6

If you accept this basic tenet that God created all, then you must accept Him as Lord. If you think that all that came about is the result of chance, then you need to reexamine things. The parameters to allow life to be sustained are so narrow that it actually takes more faith to be an atheist. The hand of God was (and is) active in Creation and continues to be active in the world today. Some may say that COVID-19 is a sign that God has turned His back on the world. Look at the scientific minds, gifts from God, that are working feverishly to come up with treatment and vaccines. Look at the healthcare workers who are pouring out their very being trying to treat those infected. How can you possibly believe that God is not present?
