

Deacon's Beacons

April 5, 2020

And they said, "Believe in the Lord Jesus, and you will be saved, you and your household." Acts 16:31

Is that not what Palm Sunday is about? The crowds are shouting in support of the Lord. Yet only a few days later, the whole tone changes. The people turn against Him because He is not doing as they think He should. Do we do the same? Are we wondering if God has abandoned His creation? Are we doubting the existence of God? What Jesus did on Easter is far beyond anything that could be done to stop this pandemic. Disease entered the world because sin entered the world. There are many faithful people who have been stricken. God is not punishing the world. But these events offer an opportunity for the world to turn all to God. Take this Holy Week to enter deeply into prayer for yourselves, for your families and for the world.
