

Deacon's Beacons

And it is God who establishes us with you in Christ, and has anointed us, and who has also put his seal on us and given us his Spirit in our hearts as a guarantee. 2
Corinthians 1:21–22

Some people claim that the Church is an invention of man and Jesus never meant to establish a new Church. In a sense, that may be true but the Jewish people turned their backs on His call. Do you really think that the Church could have existed for 2000 years without the will of God? You can see this same argument in the Acts of the Apostles. Yes, things may look rather bleak for religion but even Satan cannot stand against the will of God and the love of Christ.
