

Deacon's Beacons

Heaven and earth will pass away, but my words will not pass away. Mark 13:31

Why do people think that they have to build something for themselves that will outlast the promises of God? God does not promise that we will have all that we want. He does promise to give us what we need. Big difference there. What we need is truly known only to God. That is part of discernment. We have to find out what God wants for us so that we can seek what we need to live out that call. Each person's call is different. What is God calling you to do with your life? Are you ready to put all else aside in pursuit of that which God wills for you?

Go raibh síocháin Chríost a bheith in éineacht leat.
