

Deacon's Beacons

February 5, 2021

Let us hold fast the confession of our hope without wavering, for he who promised is faithful. Hebrews 10:23

Sometimes when we see what is going on around us, it seems that maybe God is not faithful to His promises. But we must realize that what God promises is not peace and tranquility and happiness in this life. That also does not mean that we will have a life of misery just because we believe in God. We experience many blessings in this world through our faith and especially through relationships with other people of faith. Maybe that is how we make the world a better place, by building community.

Go raibh síocháin Chríost a bheith in éineacht leat.
