There is one whose rash words are like sword thrusts,
but the tongue of the wise brings healing. Proverbs 12:18

Speaking rashly and in anger can injure someone. There may not be a physical scar but emotional ones are every bit as damaging. Before you speak, restrain your tongue and consider the effects of what you say. Is it to build up or tear down? If it is the latter, it is better unsaid. You cannot take back a word once it is spoken.

Resurrexit sicut dixit!

Go raibh síocháin Chríost a bheith in éineacht leat.
