But do not overlook this one fact, beloved, that with the Lord one day is as a thousand years, and a thousand years as one day. 2 Peter 3:8

We simply cannot wrap our heads around a concept like being outside of time. We have to make some sort of analogy to how we understand time in order to express the concept. But the stark truth is that God is outside of time. He does not experience time like we do. Maybe for God, simply being present in an eternal moment is what it is all about. Do not get hung up on trying to keep God to a clock. That will not work and all it will do is frustrate you. Simply trust that God knows what it is that you need and rely on Him to provide it when He knows it is appropriate. Otherwise, we look at God as some sort of genie granting wishes.
