Blessed be the Lord,
who daily bears us up;
God is our salvation. Psalm 68:19

God cares for us daily. Sometimes it may not seem so. But it is true. Do we return the favor? Do we spend time with God every day? Or is it only when it is convenient? Or maybe just when we feel we have to go to Church? Relationship with God is a fulltime effort. If you feel you do not want to be in that relationship, do not show up when things go wrong asking God for help. It is not that He will not be there or that He will not help but a one-sided relationship is just wrong. You become a user rather than a friend. Spend time always, giving thanks, blessing God's name, just praying and conversing. Then when you need to turn to God, it will not seem like you are talking with a stranger.

Go raibh síocháin Chríost a bheith in éineacht leat.
