“Worthy are you, our Lord and God,
to receive glory and honor and power,
for you created all things,
and by your will they existed and were created.” Revelation 4:11

What could be more worthy of our praise than our God? It is through Him that all has come into being. It is by His grace that we live and breathe and have our being. Everything we have or are is a gift from God. So how do we use those gifts? Do we use them for our own profit or do we use them for the betterment of our neighbor. The very definition of sin is using God's gifts in a way that He does not intend them to be used. Now that does not mean that you should not work hard and try to make a good living. But if you are the focus of all that you do, there is a serious problem.
