

Deacon's Beacons

Then Jesus told his disciples, "If anyone would come after me, let him deny himself and take up his cross and follow me." Matthew 16:24

Given that, why would anyone think that being a Christian was going to be easy? What type of cross do you have to carry? Is it an addiction or a habitual sin? Is it an illness of yourself or a loved one? Is it the difficulty of living properly even when it is a struggle? There are many different crosses. The one that you carry is what God feels that you can carry. Maybe you think someone else's cross would be easier. But that is not the case. If you have faith in God, the grace that you need to carry your special cross will be given to you.
