Finally, be strong in the Lord and in the strength of his might. Ephesians 6:10

Only in the Lord can we find strength to get through the storms of life. If we think that we can do it ourselves, we are sadly mistaken. Yet people actually think they can and deny even the existence of God. Does God forget them? Absolutely not. Even if they turn their backs on God, He will not turn His back on them. That is how great His love is for all of His creation. Now that may cause you to think that you do not have to be attentive to God because He will not let you alone. But that is even more serious than denying His existence. To presume on the mercy and love of God is entering into sin. Rely on him but remember the Author of your blessings.
