Therefore, if anyone is in Christ, he is a new creation. The old has passed away; behold, the new has come. 2 Corinthians 5:17

If we are new creations that means that we must fundamentally change. One cannot embrace Christ and remain the same old person. Something has to change. That is why the notion of just having faith being enough to save is, well, hinky at best. Yes we need faith. Yes, we are saved by the merit of the blood of Jesus. But if we are not intrinsically changed, if we do not repent and change our lives, what good is faith? Take a look at your lives. What still needs to change?

Go raibh síocháin Chríost a bheith in éineacht leat.
