Dear St. Paul Parents,

Yesterday morning, Governor Whitmer issued a new executive order, Shelter In Place, Stay Home, Stay Safe (See Attachment). With this executive order, students at this point are not to return to school until April 13, 2020. Our superintendent, Kevin Kijewski addresses this new executive order from Governor Whitmer in a letter to our Catholic School Communities (See Attachment).

Yesterday was also our first day of distance learning. I hope that it went well for everyone. If you have any questions, please email your child's teacher. Last Friday, I shared a letter from The Superintendent of the AOD that our distance learning instruction will count toward our instructional requirements! As we adjust to our new return date (April 13th), we will continue to work together to provide quality distance learning for your student(s) during this time.

I will keep you informed as we receive any updates. Again, we want to thank you for your prayers, support, and patience during this time. We are praying for all of you and your families.

Remember: No Stress!

Many Happy Blessings,

Mrs. Forsythe
