Dear St. Paul Families,

I hope everyone is staying safe and healthy!

Sorry I did not send my Sunday weekly email yesterday, I promised Fr. Jim that I would take a day for some down time and I thought yesterday being Palm Sunday was the day to spend with my Family. So my family and I took the day to continue Palm Sunday traditions, just as my parents did when I was younger.

I have some new information (See Below), but there are still things that I do not have answers for and I will keep you posted as I find out.

Thank you to the Staff on all of their hard work these last few weeks. I do know that the teachers communicated with you with lessons, have also given further directions for this week via email, checked in with students, have checked in with parents, have read to students through a video, have connected with them on Zoom Conference or through their Google Classroom. There are so many ways that the teachers have connected to the students and parents to help them navigate through this remote learning. We will continue to have work being sent to the students, we are also available to answer any questions you may have.

Please remember.....**The work that is assigned is not optional and will need to be turned in. If you have any questions on any of the work, please do not hesitate to email your child's teacher.**

Thank you for your thoughts, prayers, and patience during these last few weeks. Know that you and your families are in my prayers. The St. Paul School and Parish Staff misses our students and families, please be safe and keep healthy.

If you have any questions, please do not hesitate to contact me:

Many Happy Blessings,

Mrs. Forsythe
