

April 2, 2020

Dear St. Paul Families,

Today, Governor Whitmer held a news conference announcing the school closure to extend through the end of the school year.

This afternoon I sent a letter from Mr. Kevin Kijewski, our Superintendent of Catholic Schools regarding the Governor's order this morning.

The recent decision to close schools in Michigan is a challenge, but I want to assure you that we have a great team here at St. Paul on the Lake Catholic School and with your assistance we will continue to provide our students with a quality education. We are partners in your child's education and we take that partnership seriously.

By this Saturday, April 4, 2020, you will receive from your child's teacher the lessons for next week's classes (Monday-Wednesday).

Please continue to read the updates that I send to you. The staff at St. Paul on the Lake Catholic School and I have been praying for all of you and will continue to do so. Please continue to pray for the Staff, this is very difficult news for all of us as well, we miss being with our students!

Be Safe and Stay Healthy!

Mrs. Forsythe
