Donations will gladly be accepted through Friday, September 11, 2020. We kindly request your donation as soon as possible to ensure our team of volunteers has time to prepare and tag your kind and generous gift. Any new item or nearly new item will be accepted along with any collectible. Gift cards make great donations or services. Bring a single item and we will add it to an existing basket or make a monetary donation and we will put your gift to good use utilizing discounts we receive from many local merchants. Business owners are encouraged to include any materials about your company that can be displayed along with your donation. What a great way to market in the community in which you support and operate your business.
