City Gate provides a safe place for children to learn and grow at multiple sites (community centers, schools, subsidized housing complexes and churches) in DC and MD. Our free programs provide help with homework, academic enrichment, a chance to explore subjects like art and science, computer-based learning, recreation, and are a safe space for students after school.

STEM focus (science, technology, engineering, and math) engages children in hands-on inquiry-based learning, critical thinking skills, and career opportunities often closed to disadvantaged youth.

The value of volunteering is two-fold: our ministries benefit from the gifts and talents of volunteer groups, and volunteers find themselves changed by their experience.

Service Projects
Some churches participate in one-day or week long mission trips, usually during vacations or holidays. These groups participate in activities such as site beautification, stocking stuffing, serving food, or determining site needs from school-supply drives to short-term tutoring.

Tutoring
This fall, City Gate is operating at four sites around the DC metro area supporting low income students. Volunteer opportunities include special events or ongoing tutoring, on a daily or weekly basis. These programs effectively engage hundreds of volunteers in outreach to varied urban needs.

City Gate can always use your financial support through a mission offering, Giving Tuesday on November 28, 2017, or Souper Bowl of Caring collection on February 4, 2018. Please contact us if your church is interested in a presentation at your church service or a tour of our sites.

Building Partnerships
City Gate is again participating in the Combined Federal Campaign which encourages federal employees to donate to their favorite charities and improve the quality of life for all.

Go to cfcnca.org/donate. Create an account. Use our code: #83434

Not a federal employee? You can still contribute! Share our code with friends and family members who are, and donate at citygatedc.org/donate

ADOPT-A-SITE
Your contribution can range from a drive for school supplies or mittens to monthly field trips or service projects

SPONSOR AN EVENT
Some churches sponsor an annual event such as a fall festival, group tickets to a sporting event, or even Thanksgiving dinner.
Our Purpose

We are an urban ministry in Washington, D.C., seeking to open doors of opportunity, empowerment, and friendship. Our focus is on the children and youth in the city, and their families. We welcome the participation and support of all who want to serve and share in building communities of inclusion and hope.

How can my church help City Gate?

- Service Projects
- Financial Support
- Tutoring
- Mission Groups
- Adopt-a-Site
- Sponsor an Event
- Building Partnerships
