

SCRIP

- ◆ **What is Scrip?**
Scrip gift cards & electronic gift cards can be purchased from a Parish or from your electronic device for stores and restaurants where you frequently shop.
- ◆ **Where can I buy Scrip?**
Many neighboring parishes (some noted below) sell Scrip gift cards and participate with online Scrip. Call individual parishes for details.
- ◆ **Why should I purchase Scrip?**
By purchasing Scrip, you earn a percentage of the sales for your tuition.
- ◆ **How do I get started?**
Simply call a parish that sells Scrip asking for their hours of operation and where they sell it. Then go to the parish and set up your account. Purchase your gift cards and go shopping. (Each parish has their own list of stores which are subject to change.)
- ◆ **How do I get my tuition credits and what do I do with them?**
Ask the parish to cut you a tuition check made payable to **St. Cecilia School** and bring the check to our tuition office. We will enter the amount into your FACTS account and your tuition balance will be credited.
- ◆ **Is this worth my time?**
Definitely—**YES!** You could accumulate hundreds of dollars in tuition credit. You can also ask family members (parents, grandparents, aunts, uncles, cousins, friends) to set up accounts in their own parishes if they offer Scrip. They can have the check made payable to **St. Cecilia School** and send it to us to be credited to your children and your FACTS account.
