

# Lower Merion Wednesday Vigils for Racial Justice

Dear Friends,

The past four Wednesday afternoons, I and other OMGC parishioners have taken part in prayer vigils for racial justice, joining many members of other houses of worship in Lower Merion. Please join us if you would like.

Peace,  
Father Liam

Please bring handheld signs with peaceful messages advocating for racial justice. Vigils begin and end with prayer. In between, we stand for about 30 minutes along a busy street, holding our signs, bearing public witnesses to our collective desire for racial justice. Please feel welcome to bring a chair if you need one. Masks must be worn and friendly social distancing must be maintained during the entirety of each vigil.
