

Parish Feast Day Celebration

In honor of our parish patron, Saint Clare of Assisi, we will be celebrating her feast day, **Sunday, August 11th**, with a special liturgy during Masses that weekend. As this date is also the **23rd anniversary of the establishment of our parish**, we will be following the example of her selfless service to those in need by initiating a new service project within our community.

Please join your fellow parishioners for pizza after the 5:30 vigil Mass and coffee and donuts after each Sunday Mass on the 11th.
