ATHLETIC POLICY

St. Theodore Holy Family is a Catholic School with a comprehensive Athletic Program. The purpose of the Athletic Program is to provide an opportunity to advance the Gospel mission of Catholic education. The successful integration of the Gospel message into the STHFCS Athletic Program will produce individuals who are faith-filled, have respect for others, value human life and are willing to sacrifice for those in need. We endeavor to teach our students to participate as a team with skill, integrity and sportsmanship while representing themselves and St. Theodore Holy Family Catholic School's purpose.
