

Bake Sale for Field Day 2018

For the past few years, the students have had a new version of field day. It has been a great success; however, the cost is overwhelming. In order to continue this tradition in our school, we are going to need some help in the funding department.

On Tuesday, October 24, 2017 we will conduct the first of three bake sales given by and for the students. The 2nd, 5th, and 8th grade students and parents are being asked to donate some time to bake or make some goodies for the first sale. The next sale will be held in February and be sponsored by the students of grades 3, 6, and 7. The next bake sale will be held in April and sponsored this time by grades PreK-3, 1, and 4. Grades PreK-4 and 4 will be asked to provide the baked goods for the day of Field Day. Please note, any student from any grade can provide a baked good for any of the dates listed if it is more convenient. Option C reminders will go out to remind the students.

We ask that you package those goodies so that they are ready to be sold for the price of \$1.00(a few cookies in one bag, a larger brownie, a cup of “dirt” or “sand”etc.) All students may purchase baked goods on any of these days. All proceeds will go directly to this year’s field day.

For each of the bake sales, we ask that you remind the students of the opportunity to buy some goodies at the bake sale.

A few parent volunteers (with clearances) are needed to help set up and distribute the goodies on sale days. Please contact Ms. Laverty at llavertysks@gmail.com.

Our date for Field Day 2018 will be May 24, 2018. We will be in need of help in all grades on this day, so please keep the date in mind. As that date approaches, we will send a letter with more specific information.

Thank you in advance for your help and support in making Field Day 2018 an even greater success than the past few years!
