

Ransom's Garden is the area in front of the Louise Kay Educational Center. Ransom Hardesty is our young friend and parishioner who fought a brave battle against a rare cancer before leaving this world behind in March of 2013 at the age of 4.

Bricks can still be engraved with a name, a tribute, a favorite prayer or line of scripture or verse of a beloved hymn or song. Proceeds go to the care and maintenance of Ransom's Garden, the Holy Family statue, and the Kay Center.

Each personalized brick is \$125.
