St. Anthony- Tree of Life

If any parishioner is considering purchasing a leaf for the Tree of Life (found in the foyer of St. Anthony's Church,) please note that I will be submitting the order forms at the end of August. You will find the order forms on the table below the tree in the foyer. Take a look at the tree if you have not done so of late and choose how you would like to have your leaf engraved. I will be making one submission of all the forms as it takes some time to have them completed. Any questions, please contact me . *Fr. Rick*

WEEKLY MIRACLE

This week marks the beginning of a kind of "liturgical detour." We have been listening to Saint Mark's Gospel during this liturgical year (Year B). Today we begin to hear a long section from John's Gospel, starting with the miracle of the multiplication of the loaves and fishes. This miracle story is a prelude to the Lord's statements that we will begin hearing in a few weeks, in which Jesus refers to himself as the "bread of life." Each week we witness a miracle at Mass. We do not see a multiplication of loaves before us. What our eyes of faith allow us to see is the miracle of the transformation of common elements—bread and wine—into the Lord's Body and Blood. Once we have received the Lord, the multiplication begins, for in the Eucharist we are strengthened to multiply our efforts to feed the poor, shelter the homeless, and bring comfort to the despairing.

DIOCESE OF LONDON-MEMORANDUM FROM Fr. John Comiskey re: Recent Media Reports

Recently, some news media outlets have claimed that the Diocese of London has cut back on counseling provided for victims of sexual abuse. In light of the incomplete information reported by the media, I wish to offer the following information.

1. No one entitled to counseling has been cut off by the Diocese of London. We continue to honour all of our obligations according to settlements reached with victims.
2. No money is taken from parish collections or funds to pay any claims from settlements, nor for counseling. All of the costs are paid for from the sales of non-parish properties and from insurance proceeds.
3. The Diocese, in keeping with the standards of accredited professional colleges of Ontario, expects that only evidence-based techniques be used in counseling victims.
4. In keeping with the established clinical practice guidelines and standards of these colleges, the normal time-frame for counseling in most cases is three to five years. While recognizing that there is no "one size fits all" approach to an individual's needs, the Diocese is asking for independent assessments when counseling has exceeded seven or eight years. Such an assessment gives the client and the Diocese a sense of the duration and frequency of further counseling, should it be required. The Diocese's policies are informed by the professional advice of the Safe Environment Advisory Committee members, including experts in psychology and social work.
5. The Diocese continues to work with victims of clergy sexual abuse and their legal representatives to reach fair settlements. *Anyone with questions regarding the Diocese of London's policy may be directed to Ms. Sharon Wright-Evans, Bishop's Deputy Delegate and Director of Safe Environment Services or, me, Fr. John Comiskey, Bishop's Delegate.*
