Catholic Education Week "Igniting Hope"

Catholic Education Week 2020 begins on **Sunday, May 3**. Each year, the Catholic community of Ontario engages in a week-long celebration of the unique identity and distinctive contributions of Catholic education. This year's celebration is entitled, "Catholic Education: Igniting Hope." Publicly funded Catholic education has existed in Ontario since 1841 and its graduates have served Ontario and Canada very well. The current generation of students in our publicly funded Catholic schools will serve with the same spirit and generosity as their previous generations. Bishop Fabbro will be recording a message to students in English and French and a special Catholic Education Week Mass by Bishop Dabrowski will be posted online on Wednesday, May 6. We invite all staff and students to celebrate with us. All the videos will be available on the diocesan [YouTube channel](#)

"Do you not know? Have you not heard? The Lord is the everlasting God, the Creator of the ends of the earth. He will not grow tired or weary, and his understanding no one can fathom. He gives strength to the weary and increases the power of the weak." (Isaiah 40:28-29)
