

Messenger Notification Service

Saint Anselm School has contracted with Option C Parent Alert, for parental outreach, emergency broadcasts and other communications for education. We will continue to report school closings due to snow or weather on KYW radio and will use this system as an overlay to the public announcements.

When used, the service will call all phone numbers in our selected parent contact lists and will deliver a recorded message from a school administrator. The service will deliver the message to both live answer and answering machines. No answers (phones ringing over 40 sec.) and busies will be automatically retried twice in fifteen minute intervals after the initial call.

PLEASE NOTE THE FOLLOWING:

- 1) This requires NO registration by the parent.
- 2) All information and contact numbers are strictly secure and confidential and are only used for the purposes described herein.

The Contact Numbers you provide will be used to call you every time we send a call.

Please consider these numbers carefully and make an effort to keep us informed as soon as possible if either number changes for any reason.
