Or if you don't wish to use your phone, it can be done via your computer at:  
<https://shop.shopwithscrip.com/Login/Enroll>

The same sign-in username and password are used for shopwithscrip.com and myscripwallet.com. to begin shopping. Also, **you can add the myscripwallet icon to your home screen on your phone** to make purchasing eSCRIP egiftcards so easy on the go, at restaurants or retail stores. The bar code or ecard# will be ready to use immediately at the store cash register!

You'll be given two choices via your phone and myscripwallet, to either pay with a credit card or via linking your bank account. The fee for using a bank account is less, just 15 cents per transaction. The transaction can have multiple stores loaded into the cart and there's only one fee of 15 cents. The fee for credit cards is a percentage of the total transaction amount at 2.6%.

Once you begin purchasing, the tuition credit builds and builds. The total St. Anselm rebate credit is listed in your dashboard as your credit. **To calculate your student's total tuition credit rebate, it is 70% of the shown SAS rebate.** Families receive 70% and SAS receives 25%, with 5% used for shipping the physical gift cards for our in-house inventory.

You are also always welcome to purchase physical gift cards without being an online customer. You can do so at our SCRIP office between 9am - 12:30pm on Sundays, 4:30pm - 6pm on Saturdays, 6pm-7:30pm Thursday evenings, and Tuesdays during school. Tuesdays send in your order for our in-house inventory with your cash/check payment with your student. It will be sent home with him/her at the end of the day. Or stop by the SCRIP office - 9am - 10:30am, at the Parish Center. Please feel free to share the SCRIP info with family and friends. Each family member may direct his/her SCRIP to your student, to help defray the costs of your tuition. It's THAT easy to earn credit towards tuition!
