

## **XII EMERGENCY CLOSING OF SCHOOL**

In the event of any emergency holidays due to inclement weather, consult the local media for the announcement of “All Philadelphia Archdiocesan Schools will be closed.” Please do not call the school or parish center since we do not receive advance information. If our school is in session during inclement weather when road conditions may be dangerous in certain areas, we ask parents to use their parental judgment in sending their children to school. In the case of an early dismissal due to a snow emergency or any other emergency, each student must know the information that parents have written on his/her medical/emergency form for an emergency dismissal. This form is distributed to each student on the first day of school. It must be completed by parents and returned to the school on the next school day. Parents should discuss this emergency plan with their children at the time it is requested by the school.
