Blessing Bag

Bag up some of your extra supplies and put blessing bags on the doorsteps of the elderly around your neighborhood.

Extra credit if you make a card for them!

Spring Cleaning

Once the weather is stable, contact elderly neighbors or the parish and offer to spring prep yards: rake, bag leaves, pull weeds...

Sanitize

Offer to sanitize tops of pews and door handles at Church or other locations. Contact St. Tim's if you are interested!

Prayer Walk

Go on a prayer walk or bike ride around your neighborhood and pray for your neighbors. If you can, pray for them by name.

Prayer Journal

Spend 15 minutes as a family writing or drawing a prayer while listening to Christian music. Here's a playlist to try if needed:

Spring Cleaning

Find items you can donate (toys, clothes, decorations) that someone else could use more than you.

Make sure to disinfect!

Check-Ins

Call relatives and friends that are alone or in lock-down. Prepare questions about their past/present/future/stories to keep the conversation going.
