

May 2021

Dear St. Tim's Family,

We are looking ahead with hope to the 2021-2022 faith formation year for children and youth at St. Tim's despite the challenges of the pandemic. Preparations for our ministries are underway for this summer and the next programming season.

Enclosed is the 2021-2022 faith formation program registration form. It is also available online at the Church of St. Timothy website under the faith formation tab along with the informational program booklet. At the end of the registration form there is a link to pay online. Either online registration or the enclosed physical copy will be accepted.

Options for registering and paying for faith formation 2021-2022 is as follows:

- Register online and pay online (go to www.churchofsttimothy.com)
- Register online and pay by check or cash at the office.
- Register by physical form and pay online ("Online Giving" page of our website.)
- Register by physical form and pay by check or cash at the office.

If you have any troubles with the registration process, please contact us.

Please note the registration deadlines for fee increases. The deadlines are July 15, August 15, and the final deadline for all class registration is August 31. A few weeks prior to the start of the program year, you will receive more information on your selected session(s). Please let us know if you have any questions before then.

Those who are enrolling for First Reconciliation preparation and First Communion preparation must also be enrolled in the regular faith formation classes for their age group. Note that preparation for these sacraments is only offered once during the year.

If your child has not been baptized or is in the third grade or older and has not been in faith formation classes, please contact the parish office.

While parents are the primary faith formation educators of their children, we are here to assist with that process. To enhance the faith formation of your children, we encourage you to register them for the age-appropriate classes. Each year builds on the previous one, so it is important to enroll your child/children every year through confirmation.

Sincerely,

Fr. Joe Whalen, Pastor
& Faith Formation Team
