40 Hours Adoration

April 1st – 3rd at St. Anne's Parish

April 1st 8:30 am - April 3rd (Benediction 7:40 am) Mass 8 am

To the Question: What will convert America and save the world?

My answer is prayer. What we need is for every Parish to come before Jesus in the Blessed Sacrament in Holy Hours of prayer - **St. (Mother) Teresa of Calcutta**

Jesus has made Himself the Bread of Life to give us life. Night and day, He is there. If you really want to grow in love, come back to the Eucharist, come back to that Adoration.

-**St. (Mother) Teresa Praying**

St. Theresa Benedicta of the Cross (Edith Stein)

When she was being drawn to the faith, Edith Stein (Converted Jewish woman who was a professor of Philosophy at University of Freiburg and eventually became Sr. Theresa Benedicta of the Cross, died at Auschwitz WWII) went into a Catholic church and was fascinated by the sight of people coming and going, kneeling for a time in silent prayer and then leaving. Making a visit, in the phrase; coming to adore Jesus in the Blessed Sacrament. To Stein it was a revelation. Later, the future saint would spend hours before the tabernacle during Holy Week at the Benedictine abbey at Beuron. In many conversions, it seems to be an actual grace of great significance for a person to realize that a Catholic Church is never empty

The Mura: beset by buffaloes, plagued by potash

For several years now, the Mura people of Brazil's Amazonas state have sought to assert their claim to their ancestral lands. To their frustration however, it has been much easier for cattle herders and a potash mine to occupy and control those lands than it has been for them to have their rights respected. Development and Peace's partner, the Indigenous Missionary Council (CIMI), helps them advocate for, defend and publicize their cause more effectively. "On behalf of the Mura in my region, I want to thank Canadians. We are very happy to have your support. It helps us in our struggle to have our rights and our land respected." - Jeremias Oliveira, representative of the Mura community, Brazil. Watch their testimony at devp.org/campaign/mura.

The seringueiros: protectors in peril

On reserves created by the Brazilian state, the *seringueiros* tap rubber trees and gather nuts and fruits for subsistence. But their lands are now coveted by powerful loggers, hunters, ranchers, soybean farmers, etc. They are facing increasing threats, intimidation and persecution. Despite these hardships, the *seringueiros* prefer remaining in place to tend their beloved forest. Development and Peace's partner, the Pastoral Land Commission (CPT), supports the *seringueiros* by documenting violations of their rights and by helping them legally contest the seizure of their lands. Watch the *seringueiros*' testimony at devp.org/campaign/seringueiros.

Please be generous with your Solidarity Sunday donation next week. We ask that you make your cheques payable to your Parish and mark in the memo line "**Share Lent**". Funds will be forwarded to Development & Peace.

Choir Area at St. Anne's Church

Good progress has been made with the choir area and new sound system at St. Anne's. new cabinets have been installed, new chairs have replaced the pews in the choir area and the sound system has been installed. The sound system will still require some fine-tuning over the next while to get the best sound from the pulpit and choirs, so please bear with us as we make adjustments.
