

On behalf of the Hastings Catholic Education Foundation (HCEF) and SEAS school, we would like to give a huge thank you to everyone who donated to the 2020 Spring Fling. While we were disappointed in having to cancel our live event, the virtual event ended up being fun and very successful. Drum roll please... we raised over \$70,000 thanks to the continued support of this amazing community.

The fund-a-need this year is tuition assistance to families affected (financially) by Covid-19. Additionally, part of the fund-a-need will be going to upgrade chrome books at the school.

We encourage you to check out HCEF's website:

<https://www.hastingscatholiceducationfoundation.org/> to find out more about the foundation and all the good things it is doing. If you like what you see, consider starting an automatic, monthly donation to support local Catholic education.

Again, thank you to everyone who participated and we look forward to seeing you at SEAS Spring Fling in 2021. - With Gratitude, SEAS Spring Fling Committee
