

Good news! Governor Brown has declared Lincoln County ready for Phase 2. This means we have been given the OK to expand our parishioner-count at Mass from 20 to 50! Father Joseph will begin slowly by allowing two to a pew (or one family to a pew) for the weekend Mass, beginning this Saturday, October 3, at 4:00. All health precautions will remain; ie, masks and sanitizing materials for after Mass clean-up. You will also need to bring your own missals or Word Among Us to follow the Mass. Feel free to join us for daily Mass, too: Monday-Thursday at 4:00 pm.

Since we are still in the middle of a Pandemic, Mass in person is not a requirement for us Catholics; although, we all are longing to be back in the presence of our Lord. So, please make your decisions based on what you and your health-risks dictate. Father and Ice will continue to tape and post all of the Masses online, and you can still make an appointment with Father to receive Holy Communion after daily Mass, at 4:30, in the parking lot. Just send me an email, and I will let Father know.

If you are interested in attending weekend Mass, please send an email to: ATTN: PAM at stanthonywaldport@gmail.com telling me the number of family members attending. You do not need to respond, otherwise.

Thank you. God bless. Pam Lamphear
