Dear Friends,

I first encountered the musical team of Paul Todd and his son, Paul, Jr., last summer at a concert that they gave at the Church of St. Catharine in Spring Lake, NJ. I did not know what to expect, but I was not disappointed. I was so taken by their performance that I immediately extended an invitation to them to come to perform at Our Lady of Mount Virgin.

A renowned Christian performing artist and composer, Paul Todd has been ministering through his gift of music for many years. He combines his vocal talent with his prodigious talent on the keyboards to entertain families with his ministry-oriented and family-friendly music.

A critically acclaimed prolific writer, entertainer, composer, arranger, and singer, Paul began his career opening for such celebrities as The Pointer Sisters, Rich Little and Joan Rivers. Oy! Paul is currently Music Director at St. Agnes Catholic Church in Naples, Florida.

Paul is most famous for his unique concerts. Although he is first and foremost a Christian artist, his concerts also include original, classical, popular, and Broadway selection. Paul accompanies himself by playing *six keyboards simultaneously!* His fingers and feet move at lightning-fast speed, which the audience can see on a large mirror set up behind the keyboards. Known also for their smooth and powerful vocals, Paul and son combine talent with a sparkling wit to help make their concerts an unforgettable family night out. Videos of some of their performances can be found on their website, www.paultodd.com and on YouTube under "Paul Todd" and "PTMozart."

Please treat yourself and your families to a brilliant evening of song and music on Monday evening, August 26, at 7:00 pm. There is no charge to attend the concert, but a free-will offering will be collected. Please join us for a light reception following the concert to meet and greet Paul and his son, Paul, Jr. Don't miss it!

Yours in Christ,
