## If You Think Your Identity Has Been Stolen

Just pick up the phone—24 hours a day, seven days a week—and call 1-877-823-5807 if you're in North America or (240) 330-1422 from anywhere else in the world.

An ID Theft Resolution Specialist will help you obtain a copy of your credit report from all three major credit-reporting agencies. All three agencies will also place a fraud alert on your records.

Once you receive your reports, your ID Theft Resolution Specialist will walk you through the documents to determine if fraud or theft has occurred.

## Here's the Help You'll Receive

- **ID Theft affidavit**  
You'll get help completing the ID Theft Affidavit. It's your responsibility, though, to submit the affidavit to the proper authorities, credit bureaus and creditors.
- **Card replacement**  
You'll receive assistance with replacing credit, debit and membership cards.
- **Translation services**  
You'll have access to translation services. For instance, you may be overseas and need help communicating with local police.
- **Emergency cash**  
You can receive up to \$500 in emergency cash—secured by a valid credit card—if the theft occurs 100 miles or more from your primary residence.

## Tips to Remember

- Carry only one or two credit cards.
- Bring only the ID information that you'll actually need when going out.
- Do not carry your Social Security card in your wallet.
- If your purse or wallet is stolen, immediately report it to the police.
