

Parish Focus: St. Bernadette's

A Message from the Pastor

Father JohnPeter Pragasam

I am blessed to be part of a beautiful diverse but rich in faith community. It is a family church, where everyone knows everyone. Since 2013, I have been fortunate to journey with St. Bernadette's as a missionary disciple. Our community is known for generosity, tradition, hospitality, and always being welcoming. In a special way, I am grateful to my predecessor Msgr. Liam Moore, a man who worked tirelessly for our community. Our vision and mission is to become an instrument to anyone who wants to taste the goodness of the Lord.

A Brief History:

On July 7, 1955 St. Bernadette's Parish was established. The parish opened a school, from 1960-1967. The founding pastor was Fr. Adrian McKenna, 1955-1968. Msgr. Hart Doyle was assigned in 1968 and retired in 1982. Msgr. Liam Moore was appointed in 1982 and continued to nourish St. Bernadette's until 2013.

The current Pastor is Fr. JohnPeter Pragasam; he stepped into the pastor's role on June 1, 2013 and continues to lead the parish as a vibrant, welcoming family community.

Faith is a precious gift. St. Bernadette's is the most significant channel where parishioners share with each other all of their blessings and talents as they journey together as one Mystical Body of Christ.

Share the Good News:

Amazing Parish is an awesome program for all intercultural parish communities. It helps to build culture and faith with deep connections of our rich tradition in a modern way.
