

WITNESS LIST

It is absolutely essential to identify persons who can verify petitioner's statements in order to help bring the marriage case to a faster conclusion. Therefore, petitioner must provide a **list of witnesses that include family and friends of the petitioner and respondent.**

**Six witnesses are to be listed in the order of importance.**

- A. Please list each witness separately, even if two live at the same residence.
- B. State how each is related/to whom and briefly state what each witness knows.
