

## SELF-TRANSCENDENCE (Genuine Holiness)

The ability to move beyond one's own needs, often in dramatic ways, to serve needs of others. It is difficult to reach this stage in a genuine way unless other needs have been reasonably met. The concept of self-transcendence is more recent.

## Abraham Maslow: Hierarchy of Needs

**Highest level: Self-actualization**

**Fran Ferder:**

**Highest level: Self-transcendence**
