- ◆ L.L.Bean, Down East Basics, Mikarose Clothing, Lime Ricki
- ◆ koshercasual.com ("What I like about this particular site is the layering pieces. As There are half tees that are high-necked, yet don't bulk up an otherwise pretty dress or top. Also, the skirts are nicely cut and knee length")
- ◆ eshakti.com (My pre-teen and teen daughters and I have all purchased from eShakti. Not all dresses are modestly cut, but for an additional \$9.95 you have the option to customize your dress length, neck style, and sleeve length as well as have it made to fit your measurements.)
- ◆ Thrift Stores & Garage Sales
- ◆ Marshall's, T.J. Max, and the like
- ◆ Many towns have fashion boutiques and great clearance rack finds!
