Dear Parishioners of Saint Williams and Immaculate Heart of Mary,
This year, due to Covid-19, we need to think differently about the safety of our Children as it relates to their religious education. Until we can resume our regular classes, we are offering a remote Family Faith Formation Program. The Roman Catholic Church teaches that parents are the primary educators of their children. Along with Fr. Alex and Catechists we will support the parents and guardians in their important role through the internet and by phone.

To meet the needs of both parishes and to plan a Family Faith Formation Program we ask you to help by completing the following questions. You can reply to this email or print out and mail your response to the address below. This will be followed by registration once we know how many families want to participate in the Parish Family Faith Formation program. The Program is offered in both English and Spanish.
