OFFICE REPORT

I have had to change the Android Phone Class to On October 25, because there was a funeral scheduled for October 17th. (There will be a class on how to use your iPhone @ a later date.) We will be covering basic skills such as email, texting made simple and gps usage just to mention a few. There will be a question and answer section at the end of the class.

I also sent out a notice regarding the Electronic Bulletin Board. Just a reminder to please get that in info to me the same as you would the bulletin, 2 weeks in advance. Make sure it is in landscape format and that it is short and sweet. Graphics and color are welcome.
