

40 Cans for Lent

The Knights of Columbus have revised the **40 Cans for Lent** program here at St. Francis since dropping your canned goods off before and after church services is no longer an option.

On Saturday, April 4th, from 10:00 AM to 12:00 Noon, we will have two vehicles, one in each parking lot at St. Francis to accept your canned goods. Please let your neighbors and friends of St. Francis know this information. It is very important that you try to bring them to us as we have gotten information that the Food Banks are running very low on food as their numbers of clients are increasing.

If for some reason you cannot get cans of food to donate, you could provide a check made out to The Knights of Columbus and mark "**40 Cans for Lent**" **on the memo line.** For this response you can either bring it to the April 4th drop-off date, drop it off at the parish office during normal work hours, or mail it to:
