Reverse Collection

This weekend we are kicking off the Thanksgiving Reverse Collection by passing around the basket with the slips of paper. Please bring your food items back by next weekend, Nov. 16 & 17th. The food bank will have a truck here that weekend to transfer the food to the food bank. If you are purchasing a frozen turkey, you can let the store clerk know at Smiths or Super One. They will keep it at their store and the food bank will pick them up.

Liturgical Minister Training

We will have training for all new and seasoned Liturgical Ministers next weekend, Nov. 16th and 17th after Mass. **It is important for everyone to attend, even seasoned ministers!** If you are a lector, the new lector workbook will be available for you to pick up. If you are unable to attend, please let Deacon Doug or Colleen know. (The Tuesday, Nov. 12th training has been cancelled.)
