

To Whom It May Concern,

Over two decades ago a gentleman by the name of Dick Daniels envisioned a firewood lot free to those families in need of assistance to cook/heat their homes. His vision as a good, caring Christian was to give those who were struggling, down on their luck or just going through a tough time something that would help them. So, a free firewood distribution lot was born!

Unfortunately, Dick Daniels passed away in the Spring of 2018 but his free firewood vision for those in need continues strong today! The Knights of Columbus of St. Richard Parish in Columbia Falls are hard at it always looking for logs, cutting logs, splitting the rounds and stacking the firewood in the wood lot located behind the Parish. Just this last 2018-2019 fall/winter the Knights distributed firewood to over 30 families and roughly 30 cords of firewood!! Those needy families that received assistance are from all corners of Flathead County and Pastor Hill of the Methodist Parish in Browning this year as well.

In conclusion, I wanted to share a little of what this program is all about and to seek any assistance (wood, dollars, labor, etc...) that you might be able to provide to help in our continued quest to assist those in need.

God Bless,

Knights and Volunteers of St. Richard Parish

From **Megan Harrington**, co-producer of “Unplanned”:

There is a timely new movie coming out next weekend (March 28-31) about Abby Johnson, former Planned Parenthood director, called "**Unplanned**". It is a powerful real life account of transformation. It opens nationwide and will play in cities throughout Montana. You can find a theater near you by visiting: <https://unplannedtickets.com/>

About the film:

Unplanned is the inspiring true story of one woman’s journey of transformation.

All **Abby Johnson** ever wanted to do was help women. As one of the youngest Planned Parenthood clinic directors in the nation, she was involved in upwards of 22,000 abortions and counseled countless women about their reproductive choices. Her passion surrounding a woman’s right to choose even led her to become a spokesperson for Planned Parenthood, fighting to enact legislation for the cause she so deeply believed in.

Until the day she saw something that changed everything, leading Abby Johnson to join her former enemies at **40 Days For Life**, and become one of the most ardent pro-life speakers in America.
