Marriage Matters

As parents, we experience love and respect from our children every time they listen to and obey one of our rules. Good parents always have a very good reason for giving their children rules. The motivation usually has something to do with protecting them from harm, even though our children don't always understand.

This weekend, Jesus tells us that obedience to him is our way of demonstrating our love and respect for him. Jesus has many "rules" for us married couples intended to protect our marriages and help them flourish, but sometimes we are tempted to dismiss those "rules" because we don't understand them.

To help grow in your understanding of difficult teachings:

- Start with the assumption that the Church wants the best for its married couples.
- Study the "why" behind the "what" of the difficult teaching.

Enrich your marriage by joining us for the Date Night Boat Cruise on July 12th from 7-9PM. Registration and details coming soon!

Have you considered including the Church in your will? A simple provision or amendment prepared by your attorney at the time you make or update your will or trust is all that is necessary. The planning and care that go into making a gift through your will makes a wonderful statement about the values you have held throughout your life. These types of gifts are flexible, easy to arrange, and may be changed with your life circumstances. Learn more from our Foundation for the Diocese of Helena, www.fдох.org, (406) 389-7051.
