## **Marriage Matters**

Discipline. The word brings to mind a child in "time out", or spending hours in the gym. In other words, no fun! Discipline, however, can bring "peaceful fruit" to your marriage:

- Hold your tongue: You get the benefit of hearing your spouse's whole thought, and you save hurt feelings from unkind words.
- Speak his/her love language: Vacuuming, rubbing shoulders, sharing feelings or hanging out may not be your favorite, but if it's what makes your spouse feel loved, the sacrifice is worth the effort!
- Write letters: It usually seems easier to talk things through, but the discipline of writing can help both spouses articulate their thoughts and share more effectively.
- Learn new habits: New relationship skills take some effort to learn, but they release so much joy!
